

Bedford Parks and Rec Newport RI Mansion Tour & Wine Tasting \$109.00

April 16

Join us as we step back in time and visit the historic Mansions of Newport RI. Upon arrival in Newport we will drive the spectacular Ocean Dr. before touring the Breakers. The Breakers is the grandest of Newport's summer "cottages" and a symbol of the Vanderbilt family's social and financial preeminence in turn of the century America. Commodore Cornelius Vanderbilt (1794-1877) established the family fortune in steamships and later in the New York Central Railroad, which was a pivotal development in the industrial growth of the nation during the late 19th century.

The Vanderbilt's had seven children. Their youngest daughter, Gladys, who married Count Laszlo Szechenyi of Hungary, inherited the house on her mother's death in 1934. An ardent supporter of The Preservation Society of Newport County, she opened The Breakers in 1948 to raise funds for the Society. In 1972, the Preservation Society purchased the house from her heirs. Today, the house is designated a National Historic Landmark. The self-guided tours are by Audio Wand does so you can decide on what interests you.

We will stop for wine tasting at Newport Vinyards. Lunch will be included at the Atlantic Grill
